

HARVARD Kennedy School

JOHN F. KENNEDY SCHOOL OF GOVERNMENT

Christopher Awinia
Mid-Career MPA/Edward S. Mason Fellows Program

Dear Christopher,

The Admissions Committee has completed its selection of candidates for admission to the Mid-Career MPA/Edward S. Mason Fellows Program at Harvard Kennedy School. Admission to HKS is always very competitive, and the high caliber of this year's applicants made the Committee's task extremely difficult.

We have identified a number of applicants whom we would have admitted had there been more space available in the class and have established a waiting list for those individuals. We are pleased to inform you that you are among the candidates on this list. While we are unable to offer you admission at this time, a place may become available for you later this spring or in early summer.

We would be very pleased if you would accept a place on our waiting list so that we can extend an offer of admission to you should space become available. Please indicate your desire to **accept or decline** a place on the waiting list by submitting the [waiting list response form](#) by **April 17, 2025**. We will have a better idea of your prospects for admission after admitted candidates have responded to our offer. We will notify you of any action on your application as soon as it is taken.

While we hope you can wait, we do not recommend that you turn down offers to other graduate programs or employment opportunities that are attractive to you.

The world needs individuals dedicated to public service, and your commitment is sure to make a difference wherever you ultimately pursue your graduate studies.

Sincerely,

A handwritten signature in black ink that reads "Rosemary Hilliard".

Rosemary C. Hilliard
